

County Fundraising Ideas – Matching Gifts

Many corporations have an employee matching gift program. Some even donate cash as a match for an employee's volunteer hours!

(Sample announcement for county newsletters)

Does your employer have a matching gift program? Often corporations match their employee's donations or even donate cash as a match for their employee's volunteer hours. Be sure to check with your employer – some just require a short form to be filled out by the employee and the non-profit organization in order to receive a match!

Good luck with your fundraiser!
