Raleys Paperless Scrip Program

4-H Clubs / Groups:

Call (800) 925-9989 to receive your paperless scrip packet, which contains information about the “Quality of Life” program. Fill out the simple form and list how many Quality of Life cards you anticipate needing.

Once you receive the cards, distribute them to anyone who shops at Raleys, Bel Air or Nob Hill, and ask them to register their cards as described below.

(Sample announcement for county newsletters)

Shoppers:

Pick up a Quality of Life card from your local 4-H office.

Go to www.raleys.com to register your card and designate your local 4-H club as the recipient.

Present your card at the check stand each time you shop, and a percentage of the eligible items purchased will be donated directly to your local 4-H Youth Development Program.

Good luck with your fundraiser!
